Ebook Details:

Review: This book was a history lesson for me and brought up a lot of sensitive issues and real experiences that my ancestors went through in their quest for freedom and equality. I would recommend this book to anyone, but I would highly recommend it to our younger African Americans male and female who do not know our struggles. Ms. Wallace did her research...

Description: Originally published in 1978, Black Macho and the Myth of the Superwoman caused a storm of controversy. Michele Wallace blasted the masculine biases of the black politics that emerged from the sixties. She described how women remained marginalized by the patriarchal culture of Black Power, demonstrating the ways in which a genuine female subjectivity...
